SAFETY INSTRUCTIONS

FAILURE TO FOLLOW THESE SAFETY INSTRUCTIONS MAY RESULT IN SERIOUS INJURY, PROPERTY DAMAGE AND WILL VOID WARRANTY.

Owner must ensure that all players know and follow these rules for safe operation of the system.

To ensure safety, do not attempt to assemble this system without following the instructions carefully. Proper and complete assembly, use and supervision is essential for proper operation and to reduce the risk of accident or injury. A high probability of serious injury exists if this system is not installed, maintained, and operated properly. Check entire box and inside all packing material for parts and/or additional instructional material. Before beginning assembly, read the instructions and identify parts using the hardware identifier and parts list in this document.

- **Read and understand the warning label enclosed with hardware. It is the responsibility of the customer to mount this label. It should be affixed to the pole, wall, or door near playing area, at a height between 4-6 feet (1.22-1.83M) above ground level and in a location visible to all players.**
- **During assembly, if using a ladder use extreme caution. Two people are recommended for this operation.**
- **If technical assistance is required, contact Huffy Sports.**
- **Serious injury could occur if teeth/face come in contact with backboard, net or rim.**
- **Minimum operational height should be 6'6" (2M) to the bottom of backboard.**

Most injuries are caused by misuse and/or not following instructions.
Use caution when using this system.

For more information on assembly, placement, proper use and maintenance, visit The American Basketball Council website at http://www.smarthoops.com.

NOTICE TO ASSEMBLERS

ALL Huffy Sports basketball systems, including those used for DISPLAYS, MUST be assembled and ballasted with sand or water according to instructions. Failure to follow instructions could result in SERIOUS INJURY. It is NOT acceptable to devise a makeshift weight system.

WARNING
Read and understand warnings listed below before using this product.
Failure to follow these warnings may result in serious injury and/or property damage.
Owner must ensure that all players know and follow these rules for safe operation of the system.
• DO NOT HANG on the rim or any part of the system including backboard, support braces or net.
• During play, especially when performing dunk type activities, keep player's face away from the backboard, rim and net. Serious injury could occur if teeth/face come in contact with backboard, rim or net.
• During play, do not wear jewelry (rings, watches, necklaces, etc.). Objects may entangle in net.
• Check system before each use for loose hardware, excessive wear and signs corrosion and repair before use.
• Never play on damaged equipment.
• See instruction manual for proper installation and maintenance.
